

"Marriage is a commitment and partnership of two unique people who bring out the best in each other"

My name is Caz Copeman, happily married, in love with my husband, 2 children and life. Bringing a fresh, current approach to my ceremonies, it would be an honour to be part of your wedding day.

My primary goal is to create wedding ceremonies that reflect you as a couple - your love, your beliefs, your values...your way.

I am articulate, experienced and I guarantee excellence in creating your special day. I pride myself on attention to detail with an elegant presentation of myself, a true desire for your happiness and a genuine heartfelt sentence of "I now pronounce you husband and wife" It would be my pleasure and honour to be a part of your traditional, savvy, large or small, spiritual or down-to-simplicity wedding day and I will do everything in my power to ensure that your ceremony is meaningful, memorable and forever perfect.

With all my love Caz Copeman
